

Formed as a result of voter approval of Prop. 302 in Nov. 2000, AZSTA is dedicated to enhancing Maricopa County's economy and the community's quality of life through the development of professional and amateur sports facilities, the attraction of entertainment, sporting, and business events

FINANCIAL OVERVIEW

Sources – The following chart lists AZSTA revenue receipts for the month of April 2015; which represents transaction activity primarily from February 2015.

AZSTA Revenue Sources - APRIL 2015 (\$M)

REVENUE The Authority's total revenues for the month were more than the budget forecast for the month by a total of \$1,402,400 / 36.51% more than the budget forecast for the month.

NOTE: This 'good news' is driven by both classes of revenues: Tourism Revenues (TRCA) for the month, exceeded the budget forecast by \$ 693,938 = 23.75%.

Facilities Revenues (FRCA) for the month, exceeded the budget forecast by \$780,462 = 77.03%.

NOTE: The FRCA variance is driven by timing issues regarding the receipt of the Facility Revenues (FRCA) revenues for the events held in a given month; as is evidenced by the large positive variance this month based on actual cash receipts received vs. the forecast budget for the month.

The individual revenue components and their performance vs. budget forecast for the month are as follows:

Tourism Revenues: (hotel bed tax and car rental surcharge) posted \$3,615,597 in total; which is \$ 693,938 / 23.75% better than the budget forecast for the month.

Hotel Bed Tax reported \$2,104,515 for the month; which is \$ 331,964 / 18.73% better than the FY2015 budget forecast for the month.

Car Rental Surcharge Tax posted revenue receipts of \$1,511,082 for the month; which is \$ 361,974 / 31.50% better than the FY2015 budget forecast for the month.

The Facilities Revenues (FRCA) includes:

The **NFL income tax**. This monthly revenue is determined by the Arizona Department of Revenue prior to the start of each fiscal year. The monthly receipt was on budget @ \$582,332 per month.

AZ Cardinals Rent is also determined prior to each fiscal year. This monthly receipt was on budget at \$24,410 each month for FY2015.

The **Facility Use Fees (FUF)** receipts for the month were \$ 0. This is \$(17,837) / (100.00) % less than the FY2015 budget forecast for the month. This revenue component typically has a timing issue vs. the forecast budget: i.e. relating to when the FUF revenues are collected, the accounts get settled with the event promoter, and the FUF gets reported to the Authority on Global Spectrum's financial package review for a given month.

Sales Tax Recapture (STR) revenues receipts for the month came in at **\$883,422** = \$ 671,291) / 316.45% better than the FY2015 budget forecast for the month. This revenue source is also subject to timing issues related to when the Authority actually receives STR receipts from the City of Glendale and/or from the State of Arizona - Department of Revenue. These timing delays are driven by the date of the event, when vendors file their tax returns and pay the applicable sales taxes to these two taxing authorities; and then when these taxing authorities are able to process the tax returns and revenue receipts, and, finally, when these two taxing authorities then remit the Sales Tax Rebate/ Recapture to AZSTA.

The **Food & Beverage Commissions (F&B)** receipts for the month were **\$ 78,766** = \$ 71,314 / 956.98% better than the budget for the month. This FRCA revenue source has a similar timing issue related to when the F&B commission revenues are collected, calculated, and reported on the month-end commission workbook by ROJO Hospitality. Then, the F&B commission check has to be generated and released to the Authority.

The **Telecom License Fees** revenues represent a license fee paid by a carrier for their use of a telecommunications tower located on the stadium property. The receipts for the month = **\$1,958** vs. the monthly budget forecast @ \$1,100 = \$ 858 / 78.04% better than budget forecast for the month.

Year-to-Date Tourism Revenues (TRCA) are **\$ 23,090,895** = \$4,014,563 / 21.04% better than budget forecast YTD for FY2015. By fiscal year end, the Authority expects TRCA Revenues to exceed the FY2015 budget forecast by an estimated 10% range vs. the annual budget for TRCA \$.

Year-to-Date Facility Revenues (FRCA) are **\$ 16,163,669** = \$ 286,932 / 1.81% better than budget forecast for FY2015 YTD. By fiscal year end, the Authority expects FRCA Revenues to be better than the FY2015 budget forecast by an estimated 5%.
