

Job Fair June 10 to Hire 1,300 for Stadium

GLENDALE, Ariz. (June 5, 2006) -- If you want to work at the Cardinals Stadium, mark this Saturday, June 10, on your calendars.

That's when Global Spectrum, S.A.F.E. Management, and Centerplate, in a partnership with the City of Glendale, will be conducting a job fair to fill 1,300 positions for the stadium opening in August.

The Cardinals Stadium Job Fair will be on Sat., June 10 from 10:00 a.m. to 4:00 p.m. at the Glendale Civic Center located at 5750 West Glenn Drive in Glendale.

"We are excited to be working with our team and the City of Glendale to bring job opportunities to the community," said Global Spectrum's Peter C. Sullivan, General Manager, Cardinals Stadium. "The Job Fair will provide us with the perfect opportunity to recruit enthusiastic team members eager to be involved with this great new facility and its events".

"We are extremely pleased to be partnering with Global Spectrum and the other stadium partners to bring new jobs to the west valley, as well as provide new employment opportunities for Glendale residents," said City of Glendale Communications Director Julie Frisoni.

Global Spectrum, managers of the facility, is currently hiring positions in the following categories: administrative, operations, engineering, utility, and guest services. More information about these openings and the Job Fair is available at www.azcardinalsstadium.com under employment.

Global Spectrum's partners, S.A.F.E. Management and Centerplate, will also be participating in the job fair. S.A.F.E. Management, the company recently retained for security and crowd management services, will be hiring over 700 employees for usher, ticket taker and security/crowd management positions. Centerplate, the exclusive caterer and concessionaire, is also seeking to fill several food and beverage-related positions. Links to obtain more information about these companies and their openings are available on the Cardinals Stadium website, www.azcardinalsstadium.com, under the "Employment" section.
