

**UNIVERSITY OF PHOENIX STADIUM TO HIRE OVER 500 POSITIONS
DURING AUGUST 7TH JOB FAIR**

Global Spectrum and Stadium Partners Look to Hire Full and Part-Time Employees to Work at Arizona Cardinals games, the Tostitos Fiesta Bowl and Super Bowl XLII

(GLENDALE, Ariz.) Global Spectrum, managers of University of Phoenix Stadium, announced that they, along with S.A.F.E. Management and Centerplate, will be conducting a job fair to hire over 500 positions in preparation for the upcoming football season. All three companies will be participating in the **University of Phoenix Stadium Job Fair on Tuesday, August 7, 2007 from 4:00 p.m. to 7:00 p.m.**

“We are thrilled to be working with our stadium partners to bring more jobs to the community,” said Global Spectrum’s Scott Norton, director of marketing and public relations at University of Phoenix Stadium. “This job fair will provide the perfect opportunity to recruit enthusiastic team members eager to be involved with the mega events coming to the facility.”

Global Spectrum’s available positions include operations supervisor, receiving clerk, floor technician, housekeeping leads, housekeepers and utility crew leaders.

Global Spectrum’s partners S.A.F.E. Management and Centerplate will also be participating in the job fair. S.A.F.E. Management, the company retained for security and crowd management services, will be hiring employees for usher, ticket taker and security/crowd management positions. Centerplate, the exclusive caterer and concessionaire, is also seeking to fill several food and beverage-related positions.

Links to obtain more information about these companies and their openings are available on the University of Phoenix Stadium website, www.universityofphoenixstadium.com, under the “Events” and “Employment” sections.

University of Phoenix Stadium, located in Glendale Arizona, is owned by the Arizona Sports and Tourism Authority (www.az-sta.com) and managed by Global Spectrum (www.global-spectrum.com). Global Spectrum is the fastest growing firm in the public assembly facility management field with more than 70 facilities throughout the United States and Canada.
