AZSTA Votes to Postpone RFP for Concessions at the University of Phoenix Stadium

Contact: Tom Sadler, (623) 433-7500

The board of the Arizona Sports and Tourism Authority (AZSTA) met today to discuss the current Request for Proposal for concession services at The University of Phoenix Stadium.

The AZSTA board voted unanimously to temporarily postpone the current RFP process. Current bidders will be notified immediately.

During the delay, the board and staff will explore a new timetable for awarding the contract, which includes beverage and food sales, as well as catering, at the stadium and for all events. In addition, economic data and a full financial picture will be studied by the board and staff in light of the recent vacancy in the Chief Financial Officer position.
